**ABOUT YOUR ACCOUNT**—Securities in your account are protected up to \$500,000 (cash up to \$100,000) by the Securities Investor Protection Corporation (SIPC). RBC Dain Rauscher has purchased an additional policy covering your account's entire net asset value. This protection applies to the physical loss or destruction of your securities; it does not apply to any decline in the market value of your securities. Other investments shown on your statement but not held at RBC Dain Rauscher may not be protected by the SIPC or private insurance policies purchased by RBC Dain Rauscher. For more details, please talk to your Financial Consultant or visit the SIPC website at [www.sipc.org](http://www.sipc.org).

All securities that we hold for you that are not registered in your name ("street name" securities), are commingled with identical securities being held for other clients. In the event that any such securities are "called" by the issuer, we will determine which clients' securities are redeemed using an impartial selection system, as required by New York Stock Exchange (NYSE) rules.

To report a lost or stolen VISA Gold® card, call 1-800-933-9946 or 1-877-486-3696. Questions regarding check activity, money funds balances and VISA Gold card activity should be directed to Client Account Services at 1-800-933-9946.

A financial statement of this organization is available for your personal inspection at its offices, or a copy of it will be mailed upon your written request.

If you have an option account, each of the transaction confirmations that we sent you itemizes the commissions that you have paid. Upon request, we will also furnish to you a statement of the total option commissions paid by you for this calendar year.

**ABOUT YOUR INVESTMENT OBJECTIVE**—Your current Investment Objective for this account is shown on page 3 of this statement. While portions of your portfolio may be invested more conservatively or more aggressively, your Investment Objective should reflect the level of overall risk you are willing to assume in seeking returns for this account. The range of Investment Objectives from which you may choose is shown below. Please advise your Financial Consultant promptly of any material change in your Investment Objective or financial condition or if the Investment Objective shown for this account does not accurately reflect your current risk tolerance.

Preservation of Principal/Income (Very Conservative)	Balanced/ Conservative Growth (Conservative)	Growth (Moderate)	Aggressive Growth (Aggressive)	Speculation (Very Aggressive)
Lower Potential Returns Lower Risk to Principal		Higher Potential Returns High Risk to Principal		

**ABOUT YOUR STATEMENT**—Statements are mailed monthly to clients who have transactions during the month that affect money balances and/or security positions. Statements are mailed quarterly to all other clients provided that their account contains a money or security balance. Please keep these statements for your records.

Your statement is intended to provide only a summary of activity in your account(s) for the statement period. The information provided on the statement includes, among other things, a snapshot of the value of your account(s); a summary of the income you received for the statement and year-to-date periods; contributions to traditional, Roth or other Individual Retirement Account(s); and transactions in mutual funds shares. The presentation of the value of your account(s) value, as well as changes in value, includes all deposits, withdrawals, and other changes in market value. It may also reflect a reduction in value as the result of the return of principal on certain fixed income securities. However, changes in the value of unpriced securities, special products, or accrued interest are not reflected.

RBC Dain Rauscher does not calculate prices for securities; instead, the prices for securities and certain securities transactions reported on this statement are obtained from independent quotation vendors whose appraisal(s) are based on closing prices, bid-ask quotations or other factors. Moreover, certain securities may have unique valuation requirements. Certain securities prices may not be current as of the statement date, and certain adjustments to your holdings may not yet have been included. While we obtain pricing information from sources that we believe are reliable, RBC Dain Rauscher cannot guarantee the accuracy of the prices that appear on your statement. You should always request a current valuation of your securities prior to making an investment decision or placing an order to buy or sell securities. Note that securities that are not actively traded have not been priced and, therefore, are excluded from the total shown in your summary.

Your statement also includes a summary of the short- or long-term gain or loss from the sale of selected securities in non-retirement accounts. "Short-term" refers to securities held for less than one year; "long-term" refers to securities held more than one year. RBC Dain Rauscher provides gain/loss information as a service to its clients; the information may not be accurate for tax reporting or other purposes and may rely on information such as the original cost basis for a security, that you or another source at your direction provided to RBC Dain Rauscher. Gain/loss information may also reflect a change in the value of certain fixed income and other securities that return or amortize principal over time.

If you have elected to receive interest on free credit balances maintained in your account, please be advised that under Federal securities laws and the rules of the NYSE, we are permitted to pay such interest only on balances arising as an incidence of securities trading activities. We may use a free credit balance in your account in the course of our business, subject to limitations of 17CFR Section 240.15c3-3 under the Securities Exchange Act of 1934. You may demand and receive from us during normal business hours the delivery of any free credit balances to which you are entitled, and fully-paid securities to which you are entitled, and/or any securities purchased in your loan account upon full payment of any indebtedness to us.

If this is a margin account and we maintain a special memorandum account for you, this is a combined statement of both your general account and the special memorandum account maintained for you under Regulation T of the Federal Reserve system. The permanent record of the special memorandum account as required by Regulation T is available for your inspection at your request. RBC Dain Rauscher reserves the right to limit margin purchases and short sales and to alter its margin requirements and due dates for house or other margin calls in accordance with the firm's guidelines, market conditions and regulatory requirements.

The prices reported on your RBC Dain Rauscher statement for securities issued through or by a Direct Participation Program or Real Estate Investment Trust are estimates. RBC Dain Rauscher does not calculate the prices of these securities, and has not confirmed these prices or verified that they are determined correctly. Instead, RBC Dain Rauscher relies on independent quotation services or the management, trustee or general partner of the issuer of the securities to provide such prices. The prices may be based on independent appraisals, the book value of the entity's assets, the prices paid or offered for the securities, or another method or basis (or a combination of any of these). These securities are illiquid, and do not trade in a public market. Consequently, the estimated value of the securities (which is shown on your statement) may not equal the amount(s) that you receive if you attempt to sell your investment. In some cases, accurate valuation information relating to these securities may not be available. For current or estimated price information on the estimated value of the securities, the source of the actual or estimated value of the securities, or the method by which the value was determined or estimated, please contact your Financial Consultant.

If you have questions about your individual tax situation, please consult your tax adviser.
